***Join North Cumbria Primary Care Alliance as a partner or salaried GP.***

A position has arisen for a GP (salaried or salaried partner) within a coastal village location on the West Coast of Cumbria. The 2 site practice is on the edge of the Lake District National Park and serves a population of 5700 approximately.

The Seascale Health Centre is part of North Cumbria Primary Care Alliance, an innovative and unique not for profit collaborative which supports delivery of GP services across 18 sites, encompassing semi-rural and town based practices, all on the fringes of the Lake District. Our alliance of General Practices offers a fantastic career and lifestyle opportunity and is built upon the values of Kindness, Respect, Collaboration and Ambition.

We can offer:

- Opportunity to work in a 4 GP practice with a dispensary and branch practice
- Very good patient survey results
- Support and Mentoring for newly qualified or returning staff.
- Training practice
- Supported by ARRS Roles including health coaches, pharmacists, paramedics and a Same Day Health Service in Whitehaven
- Emis Web computer system
- Tier 2 Visas Sponsor available
- Flexible work patterns available
- Great support from community teams
- No financial commitment (buildings are owned by NCPC)
- Excellent and supportive leadership team.

Salaried GP £88,000

Salaried Partner GP £109,760
